📁 PROFESSIONAL EXPERIENCE

Senior Consultant

Capgemini

Jun 2022 – present
Bengaluru, India

- Implemented Knowledge Transfer plans for 3 projects and developed tracking mechanisms, ensuring efficient onboarding of new team members, resulting in a **71% reduction in onboarding time**, hence improving project continuity
- Transitioned teams from a waterfall model to **agile methodologies** by implementing **Kanban board**, resulting in a **50% reduction** in stand-up call time
- Improved communication flow by implementing a **20-minute sign-off call strategy**, significantly **reducing time spent** on lengthy email exchanges from **2 weeks to 30 minutes**
- Championed **cross-functional communication**, connecting 10+ teams across India, the EU and the US, resulting in efficient issue resolution

Summer Intern

Larsen & Toubro

Apr 2021 – Jun 2021
Mumbai, India

- Developed **4 data visualization dashboards** with 46,000+ data points, providing **actionable insights** for senior management
- Devised an HR feedback analysis model, **digitizing 5 processes** and significantly enhancing efficiency
- Designed user-friendly data management processes & created instructional SOPs and training materials

Systems Engineer

Infosys

May 2018 – Jul 2020
Bhubaneswar, India

- Delivered an **e-commerce B2B product** for a Fortune 500 global electrical, utilities and supply chain solutions company
- Prioritized **customer experience through user journeys** by incremental updates that met evolving business needs
- Followed **agile development practices**, catering to multiple teams spread across India and the United States
