Doston Nabotov

📞 +37128115853   ✉ dostonnabotov@gmail.com   📍 Riga, Latvia

As a frontend developer, I have a passion for building intuitive and user-friendly experiences. When I'm not coding, you can find me curled up with a good book or scouring GitHub for "help wanted" issues to contribute to. I am also an avid tech blogger, sharing my thoughts and experiences with the community.

🎓 Education

Computer Science, *Riga Technical University*   10/2021 – present
