👤 PROFILE

Target-driven graduate with a record of academic success, eager to add value to a quality-focused team. Passionate about content creation, and proficient in Adobe Suite programmes. Looking for a role that provides opportunities to work both in a team and independently.

📁 EXPERIENCE

- Media Operator, Prime Focus Technologies** [🔗](#) Sep 2022 – present
Completing quality checks, identifying content, and editing errors for both terrestrial television and VOD archive broadcasts using various software (including Adobe's Creative Suite). Ensuring that Channel 4's content is suitable and appropriate for broadcast in the UK, and to be streamed on their associated online VOD services.
- Radio Presenter & DJ, Trans Radio UK** [🔗](#) May 2022 – present
Host of The Numbers Show, on Trans Radio UK, a show centered around the track numbers of songs and their albums.
- Vision Mixer, Camera Operator & Floor Manager, Leeds Beckett University** [🔗](#) Mar 2022 – Jun 2022
Worked in a variety of roles for events taking place within the university, including live music shows and drama performances.
- Camera Operator, TEDx Conferences** [🔗](#) Nov 2021
Operated the camera for a TEDx event about sustainability and eco-justice within Leeds Beckett University and beyond.
- Social Media Manager, Leeds Beckett LGBTQ+ Society** [🔗](#) Sep 2019 – Aug 2020
Managed the social media profiles of an LGBTQ+ society by promoting their events, publishing photos, editing videos, and advertising the society to other students throughout Leeds Beckett University.
- Transgender Community Representative, Leeds Beckett Students' Union** [🔗](#) Sep 2019 – Aug 2020
Liaised with other representatives from other departments to help establish better and more accessible support for transgender and gender non-conforming students throughout Leeds Beckett University.

PROJECTS

When It Rains (When It's Not With You) | Music Video, Editor, Producer & Director

A music video I developed and edited that utilises a 8mm film camera aesthetic choice to compliment the bedroom pop aesthetics of its accompanying song.

The YouTube Pipeline | Video Essay, Sole Contributor

A short stylistic video essay I developed, produced, edited and budgeted detailing the most infamous controversies of Felix Kjellberg.

Are You There Mum? It's Me, [REDACTED] | Poetry Collection, Writer & Developer

A self-published mini poetry collection featuring five poems about my experiences with the bereavement of my Mother, and the aftermath of her death.

Father? I Hardly Know Her. | Poetry Collection, Writer & Developer

A self-published mini poetry collection featuring five poems about my experiences with my Father and coming to terms with my gender identity.

The Numbers Show (Pilot) | Radio Show, Presenter & Editor

The first broadcast of The Numbers Show, hosted, edited and refined by myself for internet station, Trans Radio UK.

Transitioning | Documentary, Producer & Contributor

A documentary I created and developed detailing the lives of three gender non-conforming individuals and the medical & societal aspects of the diverse community.

Queerly Beloved | Podcast, Editor & Contributor

An LGBTQ+ podcast episode I edited and featured in that discussed coming out and entering the queer community as a newcomer, and what to expect on that journey.

HOBBIES

Radio Presenting

I am the host of The Numbers Show that airs on Trans Radio UK every Thursday at 1pm - 2pm.

Creative Writing

I write my own essays on popular culture and my own scripts, stories and poetry.

Video Editing

I edit videos of all kinds, with a preference for content surrounding diversity and music.

Retro Gaming

I collect retro games and consoles, and modify them sometimes as well.
