🏴 My Portfolior

Hello! I'm Gourob Das, a passionate Google Cloud Data engineer, and AI/ML and Android Application Enthusiast. pursuing an MCA at Pondicherry University. My expertise lies in creating projects with a focus on AI / ML and android. Continuous learning drives me to stay updated with the latest trends, and I'm excited about the possibilities at the intersection of Cloud computing and AI/ML and Android applications. Looking forward to contributing impactful solutions!
