WORK EXPERIENCE

- Waseet.net** 
Senior Frontend Developer
May 2024 – present
- Utilize **Next.js** and **React** to develop and enhance the company website, ensuring scalability and responsiveness.
 - Implement **TypeScript** to enforce type safety, improve code quality, and reduce runtime errors.
 - Design and style reusable components using **TailwindCSS**, ensuring a consistent and modern user interface.
 - Optimize website performance, achieving faster build times and improved loading speeds.
 - Lead the refactoring and redesign of the website to enhance user experience, maintainability, and codebase efficiency.
- Suiiz** 
Frontend Developer
Oct 2022 – Feb 2024 | Cairo, Egypt
- Develop and maintain responsive and accessible web applications using **HTML5**, **CSS3**, and modern frameworks.
 - Collaborate with designers, developers, and stakeholders to create visually appealing and user-friendly interfaces.
 - Implement new features and functionality using **JavaScript**, **TypeScript**, **React.js**, **Next.js**, and **Tailwind CSS**.
 - Conduct code reviews and provide constructive feedback to ensure code quality and best practices.
 - Optimize website performance, improving page speed and overall efficiency.
 - Perform comprehensive testing using **Jest** and **Cypress** to maintain high code quality and reliability.
 - Manage state efficiently with **Redux Toolkit** and implement secure authentication using **NextAuth**.
 - Develop real-time functionality using WebSockets and **Pusher** for seamless user experiences.
 - Integrate third-party APIs using Fetch APIs to enhance application capabilities.
- Sklizon** 
Frontend Developer
Jun 2019 – Dec 2019 | Cairo, Egypt
- Developed and enhanced **Adel's Pharmacy** website to improve user experience and functionality.
 - Implemented a dynamic mega menu feature using JavaScript for seamless navigation.
 - Designed and implemented front-end technical solutions to meet project requirements for web page development.
 - Collaborated closely with the design team to transform client wireframes from concept to implementation.
 - Assisted the development team in maintaining and optimizing website performance.

OBJECTIVE

Highly skilled and results-driven Senior Frontend Developer with over 3 years of experience in building scalable, responsive, and user-centric web applications. Proficient in **JavaScript**, **TypeScript**, **Nextjs** and **React**, with a proven track record of delivering high-quality code and innovative solutions. Passionate about leveraging cutting-edge technologies to create seamless user experiences and drive business growth. Seeking to contribute my expertise in frontend development to a dynamic team, while continuously evolving my skills in a challenging and collaborative environment.

SKILLS

- Experience with **JavaScript**, **TypeScript**, **React.js**, **Next.js**, and **Tailwind CSS**.
- Proficient in **HTML5**, **CSS3**, and **Bootstrap**.
- Familiarity with **ES6**, **Node.js**, **Jest**, **Cypress**, **Redux Toolkit**, **Web Sockets**, **Pusher**, **NextAuth**, Fetch APIs, and **Docker**.
- Knowledge of responsive design principles and cross-browser compatibility.
- Strong **problem-solving** and analytical skills.
- Excellent communication and collaboration skills.
